Your students are individuals. Do your teaching materials treat them that way? Feldman's Essentials of Understanding Psychology does. From an adaptive diagnostic tool that provides a GPS for learning to a reader-friendly modular organisation, Feldman ensures that every student gains a better understanding of psychology. Its new groundbreaking adaptive diagnostic tool generates a personalised study plan to help students “know what they know” while guiding them to understand and learn what they don't know through engaging interactivities, exercises, and readings. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. The thoroughly revised Ninth Edition continues with Bob Feldman's accessible pedagogy, hallmark research, and focus on diversity in a flexible modules-within-chapters format.

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. Discovering the Lifespan provides a broad overview of the field of human development and features a strong balance of research and application. In a unique departure from traditional lifespan development texts, each chapter is divided into three modules, and in turn, each module is divided into several smaller sections. Consequently, students encounter material in smaller, more manageable chunks that optimize learning.
