A real world dictionary has a list of keys and items. The Keys are the words and the Items are the definition. When you want to find the definition of a word you go straight to that word. You don't read through every item in the Dictionary.

In this classic collection, some of the world's most eminent critics of development review the key concepts of the development discourse. Each essay examines one concept from a historical and anthropological point of view, highlights its particular bias, and exposes its historical obsolescence and intellectual sterility. The authors argue that a bidding farewell to the whole Eurocentric development idea is urgently needed, in order to liberate people's minds in both North and South for bold responses to the environmental and ethical challenges now confronting humanity. The combined result forms a must-read invitation to experts, grassroots movements and students of development to recognize the tainted glasses they put on whenever they participate in the development discourse.

Winner of the 2021 Betty Trask Award Shortlisted for the 2021 Desmond Elliott Prize "An audacious, idiosyncratic dual love story about how language and people intersect and connect, and about how far we'll go to save what we're passionate about."—NPR An exhilarating and laugh-out-loud debut novel from a prize-winning new talent that chronicles the misadventures of a lovelorn Victorian lexicographer and the young woman put on his trail a century later to root out his misdeeds while confronting questions of her own sexuality and place in the world. Mountweazel n. the phenomenon of false entries within dictionaries and works of reference. Often used as a safeguard against copyright infringement. Peter Winceworth, Victorian lexicographer, is toiling away at the letter S for Swansby's multivolume Encyclopaedic Dictionary. His disaffection compels him to insert unauthorized fictitious entries into the dictionary in an attempt to assert some sense of individual purpose and artistic freedom. In the present day, Mallory, a young intern employed by the publisher, is tasked with uncovering these mountweazels before the work is digitized. She also has to contend with threatening phone calls from an anonymous caller. Is the change in the definition of marriage really that upsetting? And does the caller really intend for the Swansby's staff to 'burn in hell'? As these two narratives combine, both Winceworth and Mallory discover how they might negotiate the complexities of the often nonsensical, relentless, untrustworthy, hoax-strewn, and undefinable path we call life. An exhilarating debut novel from a formidably brilliant young writer, The Liar's Dictionary celebrates the rigidity, fragility, absurdity, and joy of language.

The Complete Resource for Effective Communication Use words with precision. Clear, concise definitions help you say exactly what you mean. With 61,000 entries, 3,000 of them new, this dictionary covers the practical language you need every day. Finally, here is the definitive glossary of the book, offering readers all the terms they will need for thorough understanding of how books are made, the materials they are made of, and how they are described in the bookselling, book collecting, and library worlds. Every key term --- over 1,300 different words --- that could be used in booksellers' catalogs, library records, and collectors' descriptions of their holdings is represented in this dictionary. This authoritative source covers all areas of book knowledge: the book as physical object, typeface terminology, paper, printing, book collecting, book design, bibliography, calligraphy, t he language of manuscripts, writing implements, librarianship, legal issues, the parts of a book, and much more. The definitions are supplemented by more than 100 illustrations showing the book as a physical object: parts of books, kinds of illustrations, kinds of printing techniques, tools that librarians, booksellers, and collectors refer to that are used in the making of books, kinds of binding structures and decoration, kinds of paper decoration, and other things.
