When the Wind Blows is a 1986 British animated disaster film directed by Jimmy Murakami based on Raymond Briggs' comic book of the same name. The film stars the voices of John Mills and Peggy Ashcroft as the two main characters and was scored by Roger Waters. The film accounts a rural English couple's attempt to survive a nearby nuclear attack and maintain a sense of normality in the subsequent ...

[When the Wind Blows \(1986 film\)—Wikipedia](#)

As the nuclear crisis between the Western powers and the Eastern Bloc deepened, and the Bulletin of the Atomic Scientists 'Doomsday Clock' stood at four minutes to midnight, perplexed children across Great Britain were treated to the release of When the Wind Blows, a graphic novel by British artist Raymond Briggs that narrated the aftermath of a nuclear attack from the perspective of the Bloggses, a working-class couple who have recently retired to the country.

[The Uncoziest Catastrophe: Raymond Briggs' 'When the Wind ...](#)

When the wind blows is another cartoon animation in the style of Raymond Biggs. This tells the story of the build up to a nuclear holocaust through the eyes of a retired couple. Their memories of the 2nd World War colours their view of what the 3rd would be like. This is a great view of the early 1980's paranoia at the height of the Cold War.

'This House welcomes the publication of 'When The Wind Blows' by Raymond Briggs as a powerful contribution to the growing opposition to nuclear armament and hopes that it will be widely read' - Motion put down in the House of Commons by Labour M.P.

Raymond Briggs' now famous bestselling comic cartoon book depicts the effects of a nuclear attack on an elderly couple in his usual humorous yet macabre way.

Raymond Brigg's now classic comic cartoon book depicts the effects of a nuclear attack on an elderly couple in his usual humorous and macabre way. This edition ties in with the re-release of the film on DVD.

While grieving her husband's murder, a young Colorado veterinarian meets a troubled FBI agent and begins to uncover the world's most sinister secrets in this thriller from James Patterson. Frannie O'Neill is a young and talented veterinarian living in Colorado. Plagued by the mysterious murder of her husband, Frannie throws herself into her work, but it is not long before another bizarre murder occurs and Kit Harrison, a troubled and unconventional FBI agent, arrives on her doorstep. Late one night, near the woods of her animal hospital, Frannie stumbles upon a strange, astonishing phenomenon that will change the course of her life forever: an eleven-year-old girl named Max. With breathtaking energy, Max leads Frannie and Kit to uncover one of the most diabolical and inhuman plots of modern science. Bold and compelling, When the Wind Blows is a story of suspense and passion as only James Patterson could tell it.

A graphic novel classic from one of the world's best-known cartoonists "Gentleman Jim" is the story of Jim Bloggs, an imaginative toilet cleaner who, dissatisfied with his station in life, devotes his time to

envisioning a world beyond it. His walls are lined with books like "Out in the Silver West," "The Boys' Book of Pirates," and "Executive Opportunities," which provide fodder for his ruminations on career change. Encouraged by his wife, who is also eager to incorporate more adventure into her life, Jim sets out to bring these dreams to fruition by accumulating various accoutrements, only to discover that the life of an executive, an artist, or a cowboy is more complicated and costly than it appears. Jim's childlike understanding of the world that surrounds him is enhanced by Raymond Briggs's subtle and inventive illustrations. Fantasies are portrayed as organic clouds that move between and overlap outlined panels of his reality, and myopic Jim is drawn smaller and softer than the policemen and bureaucrats interested in impeding his search for adventure. As he begins to infringe more seriously on the law, the city workers and their speech boxes become increasingly angular, much like the rigid rules and regulations restricting his sincere quest. With this playful style, Briggs expertly transforms common feelings of inadequacy into an endearing and enjoyable experience that speaks across generations, concluding with an optimistic implication that even a misfortunate outcome can be better than no change at all. This classic novel, originally published in 1980, is presented by Drawn & Quarterly in a new edition.

Fourteen-year-old Charlie Law has lived in Little Town, on the border with Old Country, all his life. He knows the rules: no going out after dark; no drinking; no litter; no fighting. You don't want to get on the wrong side of the people who run Little Town. When he meets Pavel Duda, a refugee from Old Country, the rules start to get broken. Then the bombs come, and the soldiers from Old Country, and Little Town changes forever. Sometimes, to keep the people you love safe, you have to do bad things. As Little Town's rules crumble, Charlie is sucked into a dangerous game. There's a gun, and a bad man, and his closest friend, and his dearest enemy. Charlie Law wants to keep everyone happy, even if it kills him. And maybe it will . . . But he's got to kill someone else first.

BANG! BANG! BANG! went the guns of the Tin-Pot Foreign General BANG! BANG! BANG! went the guns of the Old Iron Woman Raymond Briggs's visceral take on the Falklands War is uncompromising in its dark and moving satire of the build-up and aftermath of the conflict. This controversial book's infamous stars - General Leopoldo Galtieri and Margaret Thatcher - are depicted as robotic caricatures with a pointless blood lust. Now available as an eBook for the first time.

I hoped the Nazis would be defeated. And they were. I hoped the war would be over. And it was. I hoped we would be safe. But we aren't. Soon continues the incredibly moving story of Felix, a Jewish boy still struggling to survive in the wake of the liberation of Poland after the end of World War Two.

"BLOOMING CHRISTMAS, HERE AGAIN!" Raymond Briggs's hilarious comic strip picture book has amused generations of children, telling the story of grumpy Father Christmas making his rounds on the busiest night of the year. Now reissued in a small gift edition, perfect for slipping into a Christmas stocking . . .

A marvellous, life-enhancing book for all ages, now a major animated film starring Jim Broadbent, Brenda Blethyn and Luke Treadaway Utterly original, deeply moving and very funny, Ethel & Ernest tells the story of Raymond Briggs' parents' marriage, lady's maid Ethel and milkman Ernest, from their first chance encounter in 1928, through the birth of their son Raymond in 1934, to their deaths, within months of each other, in 1971. Told in Brigg's unique strip-cartoon format, Ethel and Ernest live through the defining moments of the twentieth century: the darkness of the Great Depression, the build up to World War II, the trials of the war years, the euphoria of VE Day and the emergence of a generation from post war austerity to the cultural enlightenment of the 1960s. Ethel & Ernest is a heartfelt and affectionate tribute to an ordinary couple and an extraordinary generation.
